Camp/Retreat Payments: Special camps and retreats are planned each year for our fourth grade, middle school and high school students. The camps/retreats are a part of their learning experience and attendance is considered non-optional.

The fourth grade classes participate in a three-day California history 49er camp, centered around learning what life was like during the Gold Rush days in California. The cost of the camp is \$140.

Middle school students attend a week long Mt. Gilead retreat during the early fall. All students participate in team-building games and spiritual teaching. Sixth grade students travel to tide pools and the Redwoods, participating in an extensive hands-on outdoor science experience taught by instructors from Genesis Account. The seventh and eighth grade classes complete a separate spiritual-emphasis and leadership program while remaining at Mt. Gilead. The cost for the middle school five day retreat is \$325.

High school students attend an annual three-day retreat to Mt. Gilead. This spiritual retreat has become a key component to our school year. Students participate in a number of activities such as zip-lining, wall climbing, swimming and team-building games that helps all to grow in their relationships with the Lord, their teachers, and their peers. The cost for the high school three day retreat is \$225.
