College Application time is just around the corner. Be sure to take your **admissions tests no later than December** — *preferably earlier* — to ensure that your application receives prompt and full consideration. If you already have the score you want, you report ACT and/or SAT scores on your admissions application, then request that an official copy of the scores be sent from the testing agency. You can have your official score report sent to one UC or CSU, and all campuses you apply to will receive it.

Our Mission & Vision

By God's grace and for His glory only, Woodland Christian School exists to educate and prepare students for college and Christian life. We believe that by faith in Christ our students, parents, and staff can change the world.

Woodland Christian School exists to educate and prepare students for college and Christian life. We believe that by faith in Christ our students, parents, and staff can change the world. Our educational programs and philosophy will encourage students to become persons of faith, effective communicators, life-long critical thinkers, quality producers and community contributors.

PARENTS ARE INVITED...
Plan on attending our annual
Christian College Fair
TUESDAY, SEPTEMBER 13 FROM 9:30-11:30

A college fair gives you the chance to talk to representatives from many Christian colleges and universities in a short period of time. That way, you can get the information you need to create a list of schools you're interested in researching further. College fairs also allow you to discover specific things you want to know instead of just reading general information in brochures and online. And, if you have a strategy in place, going to a college fair can be a good way to see schools "close up." This can really focus your college search by helping you figure out what schools might be good to consider and which ones aren't a good fit for you. Although college visits are the best way to learn more about a school you're really interested in, a college fair can be the next best thing. It's a way to talk face-to-face with people from a school.

JUNIORS -
PSAT on October 19th

All juniors were given an Official Student Guide to the PSAT/ NMSQT | SAT Suite of Assessments today at school. If your Junior was missed, there is a copy available in the office.

The guide provides important test details, familiarizes students with question types, and includes information on the National Merit® Scholarship Program. In addition to test taking tips, each student has an official practice test. You can read more information at: <https://collegereadiness.collegeboard.org/pdf/official-student-guide-psat-nmsqt.pdf>

*Freshman and Sophomore students will take the exam in the Spring.
